EXPERIENCE

Frontend Developer Intern – Techkun

Client Project: SMYA360

Remote

Mar 2025 – Apr 2025

- Built a responsive digital marketing website using **Next.js** and **Tailwind CSS**.
- Applied SEO practices such as structured data, meta tags, and sitemap integration.
- Enhanced site performance by optimizing images and lazy-loading components.
- Collaborated with UI/UX and backend teams to deliver a pixel-perfect experience.

Frontend Developer Intern – Techkun

E-commerce Web App Project

Remote

Mar 2025 – Apr 2025

- Developed interactive UI components using **React**, **Next.js**, and **Tailwind CSS**.
- Implemented product filters, cart functionality, and API integration for seamless UX.
- Worked in Agile sprints with backend team using Git and GitHub workflows.
- Reduced page load time by 25% via image optimization and code-splitting.

PROJECTS

BlogApp – MERN Stack Project

Jan 2025 – Present

- Built a full-stack blog platform with user authentication and post CRUD operations.
- Used **React** for frontend, **Express.js** for REST API, and **MongoDB** for storage.
- Integrated GitHub OAuth and dynamic content rendering.
- Visualized repository activity with charts using Chart.js.

Incident Ticket App – Issue Tracker

Feb 2025 – Present

- Created an internal issue-tracking tool using the **MERN stack**.
- Streamlined form UX, added toast notifications, and improved accessibility.
- Integrated backend with MongoDB for ticket storage and user roles.
- Received 2K+ plugin downloads with 4.5/5 rating on dev forums.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js, Next.js, Tailwind CSS, Bootstrap
